Thought for the Month

“The more I study science, the more I believe in God”

Albert Einstein(1879 to 1955)

Perhaps the greatest scientist of all time, one of the greatest physicist and mathematician. He is well known for his “theory of relativity”

Biblical references on how one gains wisdom and belief in God
 Jews demand signs and Greeks look for wisdom, but we preach Christ crucified: Christ the power of God and the wisdom of God. **1 Corinthians 1: 22 - 24**

At that time Jesus, full of joy through the Holy Spirit, said, “I praise you, Father, Lord of heaven and earth, because you have hidden these things from the wise and learned, and revealed them to little children. **Luke 10: 21**

But God chose the foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong. God chose the lowly things of this world and the despised things and the things that are not, to nullify the things that are. **1 Corinthians 1: 27 - 28**

Who was Peter? An uneducated fisherman, Observe his life, after receiving the mighty power of the Holy Spirit on the day of Pentecost Are we able to grasp all he has written in his two Epistles ?
