## Thought for the Month

**“People should care less about their bodies and possessions but more about their souls .”**

Socrates 469 BC to 399 BC. World famous philosopher, considered as the Father of Western Philosophy. His famous disciple was Plato whose wellknown disciple was Aristotle. Alexander the great was the disciple of Aristotle.

Biblical references

What profit is to a man if he gains the whole world and loses his own soul? **Matthew 16 : 26**

Do not labour for the food that perishes but for the food which endures to everlasting life **John 6 :2 7**

Athenians believed in many Gods while Socrates believed in one God who is perfect in goodness and perfect in wisdom. He was executed by forced suicide by poisoning in 399 BC.

Socrates was sentenced to death on two crimes. His crimes were

- not believing in many Gods
- by his teachings, he was corrupting the youth.
